PEGASUS
MEDICAL CONCEPTS INC.

NATIONAL SURGICAL CORPORATION

Australian distributor of the Pegasus high density storage range including Apollo storage carts

MEDICAL STORAGE CARTS

MEETS YOUR DEPARTMENT STORAGE DEMANDS

TAMBOUR DOOR

GLASS DOOR

SOLID DOOR

OPEN CART

Apollo storage carts

A combination of different enclosures, depths, heights and locking systems enables us to provide the optimum solution for any department or ward in your hospital, day surgery or other healthcare facility

Cart sizes

Compatible with ISO standard modules sized 60x40cm and 30x40cm

Several cart heights available: 1080mm, 1450mm, 1830mm, 2200mm

Available in single, double or triple cart widths in E (600mm) or U (400mm) styles

Material

All surfaces are made of polymers and therefore resistant to moisture

ABS top cover, PP bottom floor, PVC exterior walls

Smooth-running medical grade, non-marking rubber castors (2 x swivel, 2 brake - front)

Easy-to-use and clean

The entire inside compartment of the cart is easy to clean

Self-drainage floor for quick and easy cleaning

Safety

Full 360° wrap-around bumper

Castors are extended to provide increased stability

ABS side panels can be equipped with small wheels for smoother and easier movement of heavily loaded trays

Perforated rails can be installed to accommodate the use of telescopic slides for support of heavy items. These can be used in combination with the side panels or separately

E type

U type

OPEN CARTS

APOLLO CARTS WITHOUT DOORS ARE IDEAL FOR ISOLATED STORE ROOMS SUCH AS OPERATING THEATRES, DAY SURGERIES AND OTHER AREAS WITH LOW DUST LEVELS OR LOWER SECURITY REQUIREMENTS

MULTIPLE DRAWER CONFIGURATIONS

Open door Apollo carts are fitted standard with Tilt side panels which allow baskets to be pulled out and viewed on an angle without falling

APOLLO U - SINGLE CART
APL-4.0U-ND

APOLLO UU - DOUBLE "CATHETER" CART
APL-4.0UU-ND

APOLLO UUU - TRIPLE CART
APL-4.0UUU-ND

ALL CARTS ARE FITTED STANDARD WITH ABS SIDE TILT PANELS. TELESCOPIC SLIDES OR A COMBINATION OF BOTH CAN ALSO BE FITTED BEFORE ORDER

* For OH&S safety reasons no more than 10kg can be stored in baskets placed on telescopic slides at upper levels (above 140cm)

QUALITY WHEELS

125mm medical grade castors installed on all Apollo carts

CATHETER HOOKS

Apollo carts are ideal for catheter carts. Catheter hooks can be installed to hold up to 27 catheters securely

BUMPERS

Protects both the cart and the room walls

HANDLES

Ergonomic lateral push handles available as an optional accessory

TAMBOUR DOOR

TAMBOUR DOOR CARTS ARE EXTREMELY USEFUL IN SMALL ROOMS AND CORRIDORS WHERE THERE IS NOT ENOUGH SPACE FOR OPENING STANDARD DOORS. THEY ALSO PROVIDE SECURITY AND CLEANLINESS FOR ITEMS BEING STORED

MULTIPLE DRAWER CONFIGURATIONS

Modular drawer configurations, dividable baskets or solid trays

Tambour door Apollo carts are fitted standard with Tilt side panels which allow baskets to be pulled out and viewed on an angle without falling

APOLLO E - SINGLE CART
APL-4.0E-TD

APOLLO UU - DOUBLE CART
APL-4.0UU-TD

APOLLO UUU - TRIPLE CART
APL-4.0UUU-TD

SECURITY & ERGONOMICS

A variety of locks (code locks, key locks, network locks) can be installed on the top or middle part of the doors. Locks can be programmed remotely using the WIFI network, enabling only access by required personnel

SMOOTH OPERATION

New counter-balanced system for smooth operation of roller shutter

EASY CLEANING

Simple, tool-free removal of the roller shutter for cleaning purposes

PROTECTIVE WALL

Protective back wall prevents supplies from blocking the sliding tambour door

ERGONOMICS

Mid-height handle eliminates the need to bend down to open the door

GLASS DOOR

APOLLO CARTS ARE AVAILABLE WITH A HIGH QUALITY GLASS DOOR WHICH SWING OPEN. GLASS DOORS PROVIDE A CLEAR VIEW OF STORED PRODUCTS.

IDEAL FOR MEDICATIONS, PHARMACY OR ANAESTHETICS STORAGE

Modular drawer configurations, dividable baskets or solid trays

Glass door Apollo carts are fitted standard with Tilt side panels which allow baskets to be pulled out and viewed on an angle without falling

APOLLO U - SINGLE CART
APL-4.0U-GD

APOLLO EE - DOUBLE CART
APL-2.0EE-GD

APOLLO UUU - TRIPLE CART
APL-4.0-UUU-GD

FLEXIBLE

A range of different modules (trays, baskets, wire shelves) can be inserted and interchanged at various heights

DUST PROOF

Peripheral sealing to prevent dust accumulation, and reduce impact when the door is slammed

INFECTION CONTROL

All surfaces are designed for easy cleaning and draining

QUALITY GLASS

4mm thick tempered clear glass

SOLID DOOR

SOLID DOORS ARE USED IN AREAS POPULATED WITH NON-MEDICAL PERSONNEL. CLOSING THE DOORS LIMITS ANY PATIENTS OR VISITORS EXPOSURE OR ACCESS TO THE STORED PRODUCTS

Solid door Apollo carts are fitted standard with Tilt side panels which allow baskets to be pulled out and viewed on an angle without falling

APOLLO E - SINGLE CART
APL-4.0E-SD

APOLLO UU - DOUBLE CART
APL-2.0UU-SD

APOLLO EE - DOUBLE CART
APL-4.0EE-SD

TOP WORKING SURFACE

Removable, washable ABS working surface with 3 sided gallery top and anti-spill lip on the front

HPL SOLID DOORS

4mm HPL board
High Pressure Laminate

270° OPENING

Unique hinge design enables 270° opening with a holding snap when attached to the cart side in an open position

COLOUR CODED LABELING HANDLE

Ergonomic tray handle improves visibility of locating items quickly as well as improving organisation

SPECIALTY CARTS

APOLLO CARTS CAN BE CUSTOM DESIGNED WITH REMOVABLE CASSETTES FOR USE IN MEDICATION ROOMS, PHARMACY, SMALL CONSUMABLE STORAGE OR FOR SECURING VALUABLE ITEMS.

A RANGE OF SPECIALISED TRAYS CAN BE MANUFACTURED FOR CSSD CLEANING & STERILISATION PROCESSES & GREEN TRAYS CAN BE USED FOR DIRTY UTILITY CARTS.

CASSETTES

Interchangeable cassettes are available in 80mm or 120mm wide sizes. They can be easily removed individually or as a whole unit in the cassette holders

LOCKS AVAILABLE

Cassettes can be secured with a code lock or key lock

YELLOW TRAYS

High resistance yellow trays suit CSSD cleaning & sterilisation departments

ACCESSORY RAIL

Allows easy installation of accessories

Let NSC support you

What makes NSC different to our competitors to support you?

- A proudly Australian owned and founded company
- Combining 25 years of expertise in the healthcare industry
- Creating value for our customers beyond the product
- Working with our customers to offer specialised solutions
- Offering a large product range focused on cost effectiveness, patient care and productivity
- Low overheads allows us to provide cost savings to our customers compared to the multinationals
- Coordinated, whole company approach to every customer
- Establishing trust for long term customer relationships

Who are we?

National Surgical Corporation (NSC) is an import manufacturer in the healthcare industry, distributing surgical instruments, consumables, equipment and shelving all major hospitals and healthcare facilities throughout Australia. Our extensive product range can be used by all specialist disciplines and departments within a hospital, day surgery or specialist centre.

Let NSC support you and your department

Don't be afraid to change, NSC will support and assist you throughout every step. NSC has an extensive training and inservicing material available and can tailor a program to meet your individual needs so that all personnel are aware of how the product operates. Switching to NSC can save you significantly and we can show you how!

Our range includes

Wound drains

Electrosurgical range

OT and general consumables

Surgical instruments

Laparoscopic instruments

Medichill ice packs

Protection products

Cleaning & sterilisation

Shelving & storage

High density storage

NSC has a range of shelving and storage solutions including chrome wire shelving, trolleys, compactors, high density storage, carts and height adjustable tables.
