SOLUTIONS FOR SUPPLY
&
MEDICATION MANAGEMENT

NATIONAL SURGICAL CORPORATION

Australian distributor of the Pegasus high density storage range including EcoLine carts

ISO 60-40 HOSPITAL & MEDICAL CARTS

FOR

HOSPITAL DEPTS | PROCEDURE | EMERGENCY | MEDICATION | ANAESTHESIA

ECOLINE HOSPITAL CARTS

The **Pegasus Ecoline range** provide a wide range of carts and trolleys with a variety of available accessories.

The carts are **solid, customisable and cost effective**.

By utilising a modular structure, we enable a quick reconfiguration of a standard cart into a different unique drawer configuration with dedicated colour coding on the handles or cart.

Ecoline is the ideal solution for your hospital supplies, consumables and medication management needs.

Ecoline drawers are compatible with any ISO 60-40 tray / basket. Most important, the position of drawers, trays and baskets can always be redefined.

Hygienic

Smooth and easy-to-clean surfaces

Drawers and tops can be removed for cleaning

Product specifications developed with the highest infection control standards

Cart sizes

Compatible with ISO standard modules sized 60x40cm and 30x40cm

Cart heights available: 1100mm, 985mm, 870mm, 760mm

Flexible

Three different drawer heights available: 5cm, 10cm, 20cm

Drawers configurations can be configured and modified without tools

Countless drawer-dividing possibilities, the compartments can be ideally adapted to the stored articles and the storage space can be optimised

Carts can be customised by adding various accessories

High visibility and well-organised

Full extension drawer: entire contents can be seen when drawer is pulled out

Easy to use

Soft self-closing drawers.

High-quality 125mm non-marking castors designed for easy and smooth cart operations

Easily mount accessory

Material

Powder-coated steel

Top plate and wall bumpers made of ABS plastic

Safety

Extended wheel base ensures the carts stability even when drawers are pulled out

Smooth-running castors. Front castors with individual brakes

All Ecoline carts are supplied with a key lock as a standard

Let NSC support you

What makes NSC different to our competitors to support you?

- A proudly Australian owned and founded company
- Combining 25 years of expertise in the healthcare industry
- Creating value for our customers beyond the product
- Working with our customers to offer specialised solutions
- Offering a large product range focused on cost effectiveness, patient care and productivity
- Low overheads allows us to provide cost savings to our customers compared to the multinationals
- Coordinated, whole company approach to every customer
- Establishing trust for long term customer relationships

Who are we?

National Surgical Corporation (NSC) is an import manufacturer in the healthcare industry, distributing surgical instruments, consumables, equipment and shelving all major hospitals and healthcare facilities throughout Australia. Our extensive product range can be used by all specialist disciplines and departments within a hospital, day surgery or specialist centre.

Let NSC support you and your department

Don't be afraid to change, NSC will support and assist you throughout every step. NSC has an extensive training and inservicing material available and can tailor a program to meet your individual needs so that all personnel are aware of how the product operates. Switching to NSC can save you significantly and we can show you how!

Our range includes

Wound drains

Electrosurgical range

OT and general consumables

Surgical instruments

Laparoscopic instruments

Medichill ice packs

Protection products

Cleaning & sterilisation

Shelving & storage

High density storage

NSC has a range of shelving and storage solutions including chrome wire shelving, trolleys, compactors, high density storage, carts and height adjustable tables.
